

## ATTENDANCE POLICY

Students enrolled in ASES must attend the program 5 days a week or a minimum of 9 hours weekly.

Parents and or guardians are responsible for providing written notification prior to your student's absence. You may also contact the ASES Coordinator at (760) 955-3400 ext. 46101

A student's lack of attendance may result in being dropped from the program.

## CODE OF CONDUCT

"Leader In Me" habits (Being respectful, responsible & accountable) will be stressed at all times.

We are not a compulsory program. LLA ASES is a "privileged program." Students requiring special accommodations and or those with disciplinary issues should seek out specialized programs.

Inappropriate behavior while attending ASES will result in the privilege of attending being revoked. (See contract)

All LLA Students are eligible to participate, however applicants must be in conformity with behavioral standards. Students' should demonstrate a genuine interest in the classes and programs we have to offer. While we understand that some parents work and our program may help in that respect, we ask that you honor our grant and not utilize the program as a child care program. It is our sincere hope that students improve academically, strengthen in emotional and social skills and character development.

## LAKEVIEW LEADERSHIP ACADEMY ASES

### Afterschool Education & Safety Program

Lakeview Leadership Academy ASES program offers all students the opportunity for Academic Tutoring, Sports and enrichment classes. Students who participate in LLA ASES are monitored in academics, discipline and attendance daily.

Our ASES Program works in collaboration with our Sports and many other academic programs and events sponsored by Lakeview Leadership Academy.

Our students have the option of choosing a skilled enrichment class based on their individual interest and class availability; however, academic tutors are assigned based on a student's academic records. Students will not be able to participate in Enrichment classes unless an Academic class is also attended or until grades are brought up to program standards. Failure to maintain LLA ASES academic and behavioral standards may result in a student being dropped from the program.

LLA ASES primary focus is Academic Achievement and Skilled Enrichment development. Our smaller classes provide access to degreed teachers, vocational instructors, and online education tutorials.

LLA ASES Enrichment program is designed to expose students to vocational and apprentice training in a variety of areas such as: cooking, marketing, sales, arts & crafts with an emphasis on entrepreneurship, career and personal development.

LLA ASES Performing Arts class offers students vocal training, music reading, rhythm, dance and drama instruction.

Our LLA ASES events affords students the opportunity to illustrate through performance their comprehension and value of the knowledge and skills acquired.

C.T.E. Career Technical Education classes such as Robotics, STEM and Creative Computing are not only fun but provide real workforce training.

*We are a "Privileged" program reaching out to students who embrace academic challenges and personal growth!*

*" It's time for ASES! It's time for ASES! We're building up strong leaders on a daily basis! "*

ASES is "not a repeat of the content of regular school day and other extended learning opportunities." Students who participate in our program are exposed to a diverse community of students. Our instructors are talented people from our local community, and schools. Students who participate in a LLA's special education day program and need assistance should seek support from that department.
