Welcome Back, Spartans!

As we prepare to start the 2021-2022 school year, I'd like to take the time to introduce myself as the new principal of Lakeview Leadership Academy. I come to you with over 20 years of leadership experience, including 3 years as an educational leader in Abu Dhabi, (UAE). We also have a new assistant principal, Jason Olmstead, joining our team. Mr. Olmstead comes for Options for Youth. As a part of the school community, we are both excited about the upcoming school year and look forward to working toward the success of each student at Lakeview Leadership Academy. Mr. Olmstead and I will be joined by several new teachers, a new Administrative Assistant(Principal's secretary), a new counselor, a social worker and a new ASB teacher. As we prepare to transition to in person instruction, it is my hope that we build a school community that not only engages students, but prepares each student for the ever changing 21st Century

It is hard to believe that school will begin on **Monday, August 9, 2021**, after spending the last 18-months in a global pandemic. I am excited to welcome back our Spartans to in-person learning for the 2021-2022 school year. The bell schedule, school calendar, and the student emergency card are located in this packet for your reference.

At this time, LLA is working diligently on finalizing our master schedule. On August 9, all students' first period class will be posted throughout the campus and a complete schedule will be given to each student during period 1. Please be on the lookout for additional information.

VVUHSD will be sending out information regarding the guidelines for COVID 19. All students will be required to wear a mask while indoors, except when they do cardio workouts. Even students who are vaccinated will be required to wear a mask while indoors. When students are outdoors, they are not required to wear a face mask, but may do so if they wish. Classrooms and offices will be equipped with hand sanitizers, wipes, and disposable masks if needed. Currently, indoor athletes are not required to do weekly COVID testing, however, this is always subject to change based on the current guidelines and district policies. Please find a quick reference on upcoming dates on the back!
